

# Jesus Walks on Water Craft

Matthew 14:22-32

## INSTRUCTIONS

- 1 Prepare a bowl of blue Jello in advance (it takes a few hours to set).
- 2 Print this sheet on card stock.
- 3 Color in and cut out the characters.
- 4 Tape a toothpick to the back of the Jesus cutout and the boat cutout for stability.
- 5 Set the final scene by positioning the Jesus cutout and boat cutout on the surface of the Jello, and stick the Peter cutout into the Jello as though he's sinking!

Option b: print and color the second page of this craft, and use that to set the scene for Jesus and Peter (cut on the dotted lines to position the characters through the paper).
